

BXC series detectors for toxic gas

These serial products widely used to metallurgy, petrochemistry, pharmacy, paper making, urban construction and swage system.

This series achieved state New Product award

- ◆ Explosion proof certification No:CNEEx02.806
- ◆ Explosion proof mark: ExiallCT4

Features:

- ◆ Various function with intelligentized design, operating simply
- ◆ Rechargeable lithium battery, saving energy sources
- ◆ Clear LCD display with back light
- ◆ Light & sound alarm, small & smart sharp
- ◆ Data storage selectively and simply
- ◆ Noise free earphone, charger and storage box available

Model	Measured gases	Measuring range	Max. Measuring range	Error	Response time
BXC-01	C0	0-500PPm	1500PPm	≤±5%	≤40s
BXC-04	H2S	0-100PPm	500PPm	≤±5%	≤35s
BXC-06	Cl2	0-10PPm	100PPm	≤±5%	≤60s
